DEVOTIONAL

A MINISTRY OF

Freedom
EARLY LEARNING CENTER

JANUARY • FEBRUARY • MARCH

Hello FELC Families,

We are so blessed to start the 2023 year with all of you as part of our FELC family and have entrusted us with your child's care. We love nurturing each child as they learn and grow developmentally through a foundation in faith. At Freedom Early Learning Center, our vision is to provide a meaningful integration of faith and learning in a play-based learning environment. We carry out our vision by providing children with opportunities for spiritual, cognitive, emotional, physical, and social development within a loving and nurturing environment.

We create a special time each day to share Bible stories, songs, and prayer with each child. Creating this routine creates a strong presence of Christianity in your child's life and establishes a strong sense of faith and belief in God that follows them throughout their entire life. We enjoy partnering with you on this mission to raise your children in the knowledge and love of God. Providing you with the Keys for Kids daily devotional helps to facilitate a continuation of sharing God's word with your children at home.

Keys for Kids Ministries, a long-standing Christian organization in our community, produces the Keys for Kids devotionals quarterly. We provide this to all our families free of charge. Each quarter, we will send them home with your child. There is no better thing than spending time with your family. It is our hope that this devotional gives you another "tool" to teach your child about Jesus and living your life with the word of the lord.

Wishing God's best for you and your family in the new year!

Peace and joy,

Alisha Rodriguez
Director

Proudly serving families with quality
Christian care for over 15 years.

Our Vision:

At Freedom Early Learning Center, we believe that children develop best in a loving, caring, and safe environment. We provide activities that promote growth both physically and cognitively, at each child's individual level that facilitates a self-paced learning environment. We stimulate each child's growth by providing materials and experiences for growth in the following areas: social, emotional, physical, and spiritual development. We pride ourselves with providing an atmosphere that is warm and caring, and emphasizes God's love.
